Weston Park

OVERVIEW

Weston Park is no ordinary stately home. Set amongst 1,000 acres of Capability Brown landscaped parkland and former home to the Earls of Bradford, Weston has a rich history, an internationally important art collection and all the grandeur you would expect from a stately home - but with a very modern outlook.

The house and its collection are not hidden behind ropes as we operate as an exclusive use venue. With its tranquil location, 27 bedrooms and easy access to major train stations and airports, Weston is a highly sought after venue for private house parties, weddings, corporate events and celebrations. Guests enjoy exclusive use of the main house, alongside five-star service from a dedicated team of house managers, chefs and housekeepers.

The grounds of Weston Park combine 1,000 acres of natural beauty and three centuries of garden design. The formal lines of the 19th century gardens fuse dramatically with the naturalistic style fashioned by Capability Brown in the 18th century. The park is home to outdoor events, large and small, throughout the year including the CamperJam and Food and Craft Festivals.
